Sensing the Church is Alive

## The Widow who Gave Everything

Looking into this summer I am reminded of Mark 12:41-44. Jesus sat down opposite the place where the offerings were given and watched the crowd putting their money into the temple treasury. Many rich people threw in large amounts. But a poor widow came and put in two very small copper coins, worth only a fraction of a penny. Calling his disciples to him, Jesus said, "I tell you the truth, this poor widow has put more into the treasury than all the others. They all gave out of their wealth; but she, out of her poverty, put in everything – all she had to live on."

This passage reminds me of a widow who gives all she can

to her Lord. Recently, we have come into contact with a widow who serves the Lord. On our mission trip this summer we will be helping to meet the needs of the widow. She doesn't have much but has lost much. This woman, who is in her late fifties, lost her husband about two years ago from a massive heart attack. She is a sweet Christian lady who works at a church as administrative assistant eight hours a week. Her storage sheds are falling apart, and are not stable. The home she lives in is put together of old trailer, and plywood; not your conventional double wide for sure. Because of health reasons, she is not able

to get around very well.

With her permission there is a team from DMC who will be tearing down the old sheds, and building a new one. Another project will be to build a ramp to her front door entrance, and possibly replacing the front door. Many other projects that may be done include painting, cleaning up her home, and yard. What a privilege it is to serve those who are hurting and need assistance.

May this woman not only be an example to us, but may we have the heart of Jesus to those in need.
